RAYMOND "BUD" GRAY JOINS SEKUWORKS AS VICE PRESIDENT

Bud Gray, Vice President Security Programs, Commercial Development to build new customer segments

(Harrison, OH) Sekuworks, LLC, announced that Bud Gray has joined the company as Vice President Security Programs, Commercial Development. Mr. Gray is charged with sales growth and expansion of new commercial opportunities. "Bud will be a key executive at Sekuworks leading and supporting the growth of our business," states Bob Spiller, Sekuworks President and CEO. "Bud's combination of brand protection / security solutions experience coupled with an in-depth knowledge of label converting creates the perfect mix in promoting our Intaglio based anti-counterfeiting products"

Mr. Gray is a brand security and printing industry veteran with over 30 years experience serving in executive positions (VP Gen. Manger. as well as President and CEO) with several narrow web label companies. He has served as a Board member of the Brand Protection Alliance, been involved in the flexo-graphic printing industry as an advisor to Illinois State University, Advisor to Dean of ISU for Curriculum Development for Flexo, Chair of the Flexo in High School program, Current Member of the Flexographic Technical Association Board of Directors, Vice Chair for Project Evaluations\Grants (FTA), Past member of the Tag and Label Manufacturers Institute Board of Directors/Numerous Chairs, Executive Director of the TLMI ,Vice Chair Narrow Web Leadership Council and listed Who's Who in the World of Flexography.
