Donald Beck named Sekuworks new Manager of Security Assurance

Donald Beck has joined Sekuworks LLC, a brand protection high security printer, as Manager of Security Assurance. Don will implement, upgrade and oversee Sekuworks' security programs and procedures including all aspects of Sekuworks' NASPO Class 1 certification. "Don's extensive experience in law enforcement and corporate security will insure our security methods are state of the art." says Robert Sherwood, VP Security Programs Management. "His expertise will strengthen our support to customers using Sekuworks authentication products as part of their investigation and enforcement programs."

Mr. Beck is a veteran law enforcement officer, with the distinction of being one of the youngest persons to be appointed as a police chief in the state of Ohio. He brings a comprehensive background in all aspects of investigation and experience in planning and directing executive-level administrative affairs ranging from human resources to budget management.

Most recently, Mr. Beck held a position at Fifth/Third Bank, Cincinnati, OH investigating, detecting and preventing fraud. Mr. Beck has a Bachelor of Science, Criminal Justice, degree with a minor in business from the University of Cincinnati, Cincinnati, OH and numerous professional certifications.

Sekuworks, headquartered near Cincinnati, Ohio, is a NASPO Class One Certified full service global brand protection company. The Sekuworks innovative vision for brand protection solutions includes products and services that allow a collaborative approach to protecting the brand owner's products from counterfeiting and diversion. . A true security printer, Sekuworks Sekuweb™ Secure Document Print System, integrates multiple security printing technologies, including intaglio, die-cutting, holographic application, rotary screen printing, numbering and placement of variable data in a cost effective single pass process. Our maximum-security facility and project tracking system are unmatched in their ability to assure the highest level of accountability to customers around the world.
