Kill Date: None

William B. Anneken named Sekuworks Executive VP and CFO

William B. Anneken has joined Sekuworks LLC as Executive Vice President and Chief Financial Officer. He brings 45 years of experience in the manufacturing and retail industries, and nearly 35 years of experience in senior executive and policy making positions to Sekuworks, a brand protection high security printer. "Bill played a major roll during Sekuworks launch," says Bob Spiller, Sekuworks President & CEO. "Now, he's rejoined the company to play a major roll in its future!"

Mr. Anneken received his Bachelor of Science in Business Administration and MBA degrees with honors from Xavier University in Cincinnati, and has attended business seminars conducted by the University of Cincinnati, the Massachusetts Institute of Technology, Northwestern's J.L. Kellogg Graduate School of Management, the American Management Association, and other organizations.

He is a 43 years member of Financial Executives International and a member of the Society for the Advancement of Management. He has served as president of the Alumni Board of Governors, a member of the Business Advisory council and a member of Presidential Advisory Council, at Xavier University. Mr. Anneken resides in Cincinnati, Ohio with his wife of 53 years. They are the parents of five college-educated children, and enjoy twelve grandchildren.

Sekuworks, headquartered near Cincinnati, Ohio, is a NASPO Class One Certified full service global brand protection company. The Sekuworks innovative vision for brand protection solutions includes products and services that allow a collaborative approach to protecting the brand owner's products from counterfeiting and diversion. A true security printer, Sekuworks Sekuweb™ Secure Document Print System, integrates multiple security printing technologies, including intaglio, die-cutting, holographic application, rotary screen printing, numbering and placement of variable data in a cost effective single pass process. Our systems are unmatched in their ability to assure the highest level of accountability to customers around the world.
